## PROFESSIONAL EXPERIENCE

### TECHNICAL SKILLS:

Ruby on Rails	Ruby	Bootstrap	JavaScript	Ember JS	Node.js
PostgreSQL	Mongoose	MongoDB	Express	HTML	CSS

### GENERAL ASSEMBLY

*Web Immersive Developer, January 2016 – Present*

- Established a form of communication in a group project using agile practice to ensure proper git work flow, and unified teammates to solve complex issues.
- Practiced clean coding habits during projects and classroom exercises by organizing code based on separation of concerns.
- Structured a full stack web application through many layers: user story, wire-framing, development, testing and deploying.

### PROJECTS

#### Sand Puppy

A WordPress clone aiding the non-tech savvy to build a website. It uses Express and MongoDB to store dynamic data and is integrated with Tiny MCE plug-in.

#### Nettle

A Ember application using Ruby on Rails to easily organize a camping trip. Items brought on the trip are sorted by users and categories (food, tools, etc.). This is made possible through associations.

### SABIS INTERNATIONAL CHARTER SCHOOL

*Student Management Assistant, September 2013 – January 2016*

- Served as a founding member of a brand new charter school, and facilitated in developing logistical policies to ease the school's transition between multiple new buildings.
- Restructured the CDC behavior system to solve an accuracy issue with collecting data on classroom activities.
- Orchestrated a team to administer several school-wide tests under a tight deadline.

### CLIFTON LARSON ALLEN

*Auditor, January 2013 – June 2013*

- Assisted in preparing time and cost budget during audit engagement preparation.
- Quantified business assets and liabilities in excess of millions of dollars by analyzing cash flows.
- Analyzed and interpreted financial records to compile data, reconciled existing data to generate financial reports.

## EDUCATION

UNIVERSITY OF MASSACHUSETTS- AMHERST, MA

- Bachelor of Business Administration - Accounting.

## ADDITIONAL FACTS

- Volunteered on an organic farm in British Columbia, Canada for 3 weeks.
